

COUNCIL OF ST. VINCENT & THE GRENADINES ORGANIZATIONS, USA, INC. (COSAGO)

SCHOLARSHIP AWARD

OVERVIEW

The Council of St. Vincent and the Grenadines Organizations, USA, INC. (COSAGO) is proud to introduce the COSAGO Scholarship, established in 2025, in honor of two of our esteemed founding members, Dr. Errol. G. King and Mr. Dollis Forbes, who have passed on, but whose legacy continues to inspire our mission, vision, values and community.

The scholarship is designed to financially assist qualified applicants in obtaining a degree from an accredited academic institution of higher learning. It will be awarded to outstanding college - bound students of Vincentian heritage, who exemplify academic dedication, leadership, community involvement, and a strong sense of cultural identity. The scholarship will serve, not only as a tribute to the visionary leadership and selfless service of our late founders, but also as an investment in the future of young students of Vincentian heritage, who are striving to make a meaningful difference through education.

Recipients will be selected through a competitive process that evaluates academic achievement, personal integrity, resilience, individual need, and service to others.

Through this award, COSAGO reaffirms its commitment to uplifting the next generation, and preserving the values on which the organization was built.

The scholarship award is US \$1500
